## **Elk Park Knoll Trail Needs You Again**

Friends of the Peak has the last project of the year scheduled on Thursday, September 19, to complete work on the Elk Park Knoll Trail.

On July 27, 23 hard-working volunteers did some great work on the trail to build a retaining wall (see photo) to stabilize the trail across a gully. But thunderstorms moved in before the group could finish.

We need volunteers to complete the work.

We'll meet at the Pikes Peak Highway tollgate at 8 a.m., carpool to the trailhead, hike in about 3/4 mile, and, with enough volunteers, finish the work. Plans are to finish by 1:00.

September 19 is a weekday, so this project won't fit everyone's schedule. If it fits yours, please consider volunteering.

If you can help, please register on the projects page on our web site:

---

Thank you to everyone who has volunteered this year --  
225 volunteer days so far this year, and counting.
